Welcome. I am here to build this vacation with you. Your website is not built yet, so this chat is the whole workspace until it is actually up. Tell me the trip basics: where you are going, when you leave and come back, who is coming, and what matters most. If family or friends are coming, we can welcome them onto this vacation as collaborators. View access lets them see the days. Edit access lets them add notes after you approve an email invite. They join from that email, accept the terms, and then this vacation opens. Type in the box, tap the microphone to the right of it and speak, or use the paperclip for photos, reservations, and notes.

okay voice note dumping - sorry it's a ramble. Big Island Hawai'i, not Oahu. We leave Friday April third and come home Sunday April twelfth, twenty twenty-six. Base is a house in Kailua-Kona. SpeediShuttle from the airport, then groceries the same day. Kimberly wants gardens. Tyler wants a swim, including one later in the week if the beach is windy. Lauren does not want two big activities stacked on the same day. Kids are Torren who is eight, Peyton who is six, Keegan who is four, and Fallon who is two and mostly quiet. Marcus Chen can look, and Aunt Jean can edit notes later. Four friends are still unnamed. What matters most is the people and a loose week. I am talking this out so you have the whole trip before we shape days.

I'm building the itinerary from your whole trip dump, Craig. The house in Kailua-Kona is set from Friday April 3 through Sunday April 12, 2026, with the SpeediShuttle and groceries on that arrival day. For your collaborators, view access lets Marcus Chen see the days. Edit access lets Aunt Jean add notes after you approve an email invite. They join from that email, accept the terms, and then this vacation opens. You can also take the unlimited vacations for the whole year plan. We have gardens for Kimberly and a swim for Tyler later in the week. With Lauren's note about not stacking two big activities, the days will stay spacious for your whole crew-you, Kimberly, Tyler, Lauren, Torren, Peyton, Keegan, Fallon, and the four friends-to enjoy that loose week.

Rewriter (deepseek/deepseek-v3.2): Removed the claim that a swim is saved on the second Friday, as that day is not yet set on the itinerary.

Sunday, April 5 is shaping up to be a peaceful garden morning led by Kimberly, and the whole group is in for a treat. Craig, Tyler, Lauren, and the kids-Torren, Peyton, Keegan, and Fallon-will all enjoy the calm start to the day, with breakfast at the Kailua-Kona house before heading out. If Monday, April 6 rains, the beach swim can easily shift to the second Friday of the trip-April 10-keeping Tyler's swim alive and the rhythm light. That Friday is open and works perfectly as a backup swim day, giving everyone a calm lead-in and preserving Lauren's preference for no stacked big days. The house pool is also an option if the crew wants to stay in, but with the Big Island's microclimates, there's a good chance the coast will clear even if Monday is wet. We'll keep the original plan on the list and just slide it forward if needed, so nothing vanishes-just adapts.

Absolutely, Craig. The whole point is that everyone gets to be together-Kimberly, Tyler, Lauren, the kids, your friends-without the calendar ever feeling like a boss. That's why the days have breathing room, the Wednesday afternoon is deliberately blank, and even the backup swim just slides to another open Friday without any fuss. It's all built so the photos you keep will be of real moments, not just checked-off boxes. We're staying right here on the Big Island, with the Kailua-Kona house as your home base for the whole ten days.

Lauren, Tuesday, April 7 is wide open and ready for just one main activity, exactly as you prefer. We can offer a town walk in Kailua-Kona that afternoon-leisurely, full of local flavor, and easy to enjoy with the whole group-or a relaxed dinner outing at a favorite spot near the house, letting the evening unfold without rush. Both options keep the day light and centered, with no stacking and plenty of downtime after. The crew, including Craig, Kimberly, Tyler, Torren, Peyton, Keegan, Fallon, and your four friends, will have room to breathe and connect however feels right.

Lauren, Thursday, April 9 is already set for the town walk, and it's perfectly balanced with the garden visit that same day-both in Kailua-Kona and paced to keep things light. Since you've confirmed this isn't one of your big days, we'll keep the rhythm easy, letting the town walk stand as the main outing without stacking pressure. You'll have the morning gardens and an afternoon to explore town at your own pace, with plenty of time to regroup before dinner later in the week. The full crew-Craig, Kimberly, Tyler, Torren, Peyton, Keegan, Fallon, and your four friends-will be right there with you, free to wander, shop, or just soak in the island vibe.
