Welcome. I am here to build this vacation with you. Your website is not built yet, so this chat is the whole workspace until it is actually up.

Tell me the trip basics: where you are going, when you leave and come back, who is coming, and what matters most.

If family or friends are coming, we can welcome them onto this vacation as collaborators. View access lets them see the days. Edit access lets them add notes after you approve an email invite. They join from that email, accept the terms, and then this vacation opens.
